

DROUGHT CONDITIONS

Drought status

The Good: The past week saw general statewide improvements in drought conditions. The Bad: Reservoirs continued to decline in the Panhandle and Rolling plains. The Ugly: The National Weather Service put out a pessimistic three-month drought outlook: Continued and developing drought for the vast majority of the state.

Drought statistics

- 91% of state currently in drought
- 96% a week ago
- 83% three months ago
- 99% a year ago

SEASONAL DROUGHT OUTLOOK
