

DROUGHT CONDITIONS

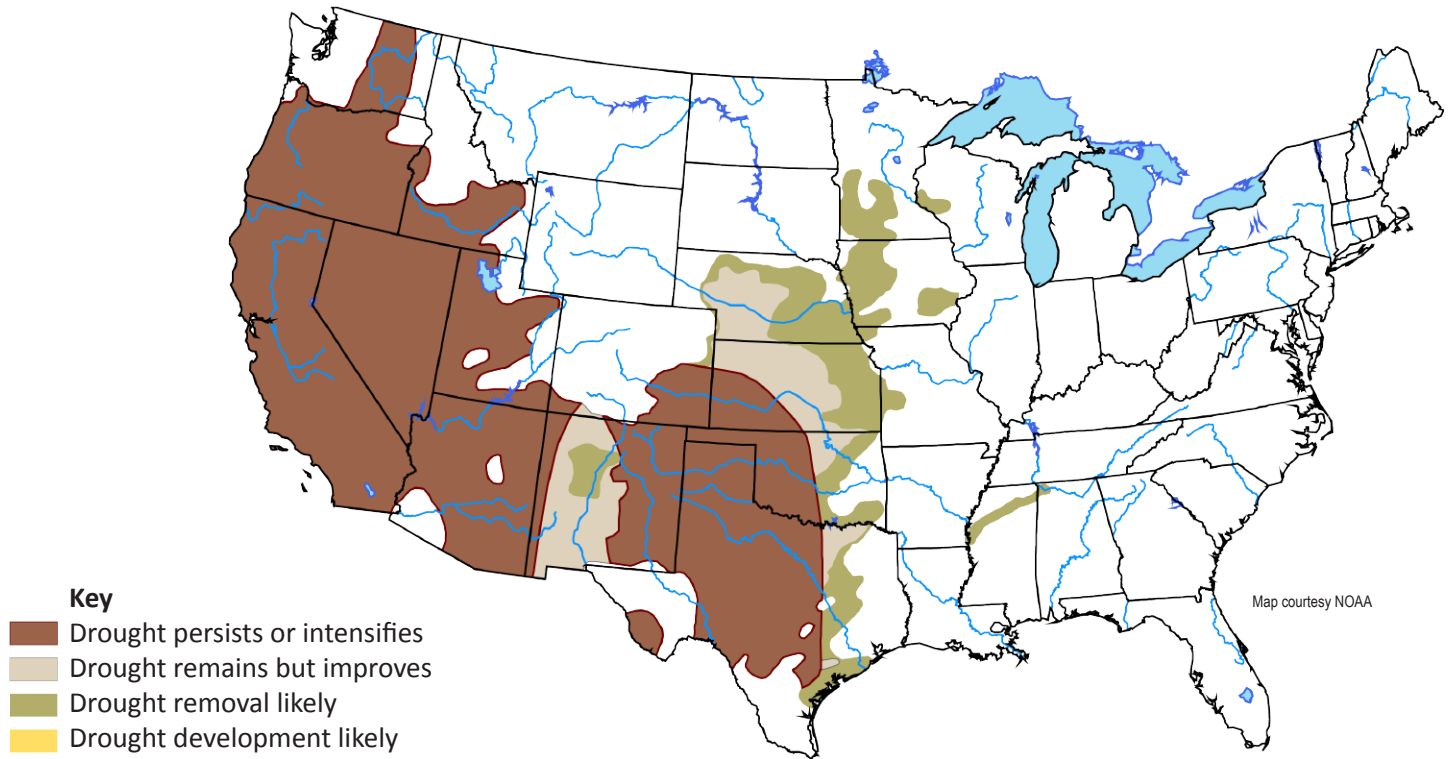

Drought conditions intensified over the past week with much of the Texas Panhandle over to Wichita Falls now under exceptional drought conditions, the worst level of drought. The latest drought outlook through the end of July shows improvements in east Texas and along the coast but lingering and intensifying drought in much of the rest of the state.

Drought statistics

- 66% of state currently in moderate to exceptional drought
- 64% a week ago
- 45% three months ago
- 91% a year ago

SEASONAL DROUGHT OUTLOOK FOR APRIL 17 – JULY 31, 2014
